Don't miss the FUSN Art Show & Sale—don't miss the chance to check out the incredible range of the artists and craftspeople in our community; don't miss a really pleasant social occasion—you stroll around looking at fascinating objects, chat with the artists (most of whom you know) and enjoy the munchies; don't miss the chance to purchase terrific and unusual holiday and birthday presents. (Wait till you see how cool some of this stuff is and the prices are great this year!). A piece of original art is a fabulous wedding gift or holiday gift and a number of the craft items are beautiful small objects that are easy to mail. You can wipe out a whole gift list in one afternoon (or morning).
